Landscape Designer – Houston, Texas

Prewett Read and Associates, a premier residential landscape architecture design build firm, is looking for a graduate in landscape architecture with several years of experience.

The position includes a diverse range of activities including, but not limited to:

- Production of drawings and documents
- Layouts, site measurements and analysis
- Drafting of base plans, presentation drawings and details
- Estimating, materials takeoffs, bids and contracts
- Landscape installation supervision and on-site layout
- Construction administration; site visits to observe construction process
- Schematic design

Skill Set

- Proficient in AutoCAD, SketchUp and Photoshop
- Excellent graphic skills, both hand and computer
- Proficient in Microsoft applications
- Good design skills
- Positive attitude and strong work ethic
- Good verbal and written communication skills
- Attentive to detail, able to take direction and a team player

Candidate experience: 2-5 years of work experience with a landscape architecture/design firm.

Prewett, Read & Associates offers competitive salary and benefits based on experience.
